Elmo's Daddy goes away for his job a lot. Elmo misses him then! When his Daddy is away, some things feel different. But other things stay the same: Elmo eats, plays, and listens to stories every day. Look at the pictures. Which activities do you do every day? Which can you do by yourself? Which do you do with a grown-up? What do you do first thing in the morning? What is the last thing you do before you go to bed?
