

# Family Puzzle

When your family is all together, you are like a puzzle with the pieces fitting together. Decorate these puzzle pieces with your family. With a grown-up's help, cut the puzzle apart and work as a team to put it back together again. What does your puzzle look like? How might the puzzle help everyone stay connected? How does it feel when the whole family is together and the family puzzle is complete? When one member of the family must go away, each person can take care of a piece of the puzzle. When you reunite, have fun making the puzzle whole again.
