

A Birthday Wish from Far Away

If I am not home on your special day, I'll send birthday wishes from miles away. I'll send you a hug in a magical dream. I'll send you a kiss  on a dancing moonbeam . I'll send you a laugh on a cool little breeze. On the wings of a bird , I will send you a squeeze. I'll send you a smile by a sweet crocodile  — who will tell you that I will be home in a while. Because whether you're near, or whether you're far, I'm sending my love on a twinkling star . **Now blow your own wish to friends and family near and far!**
